OUR YOUTHS

Why Your Support Matters

Millions of children in the United States grow up in low-income communities with limited access to educational and enrichment opportunities. Many never have the chance to explore college campuses, historical landmarks, museums, or career pathways beyond their neighborhoods.

Your generosity helps break that cycle by expanding their horizons and inspiring brighter futures.

Your Donation Helps Provide

- College and university visits
- Museums and cultural institutions
- Historical landmarks and Washington, D.C. educational tours
- Military bases and academies
- Educational and recreational experiences, including destinations such as Disney World
- Mentorship and networking opportunities with accomplished professionals

These experiences encourage students to pursue higher education, build confidence, and discover new possibilities for their future.

Celebrating Our Impact

Because of generous supporters like you, the Foundation provided life-enriching educational opportunities to deserving high school students during the **2025–2026 academic year.**

Every Gift Makes a Difference

Together, we can Educate • Elevate • Enrich • Encourage.
Thank you for investing in the future of our youth!
