Hello Family, Friends, and Loyal Supporters:

The members of the Gloria Jane Harvey Foundation extend our warmest wishes to you and your family for a joyous holiday season and a prosperous New Year. May this season and the year ahead be filled with peace, happiness, success, and good health.

We are deeply grateful for your trust and support throughout the past year. Thank you—truly—for your generous donations, which enabled us to expose and educate students to a world beyond their communities. Because of you, students were able to travel outside their neighborhoods and beyond Alexandria, Louisiana. For some, it was their very first time flying and leaving their local community. Your generosity and expressions of support made these educational field trips possible, and we are forever thankful for the impact you have made.

The holiday season is a time of celebration, reflection, and gratitude, as well as an opportunity to improve the lives of those who are less fortunate. Many of us celebrate the birth of Christ and recommit ourselves to giving and serving others. In that spirit, I would like to personally thank you for GIVING your time, donations, and well wishes to economically challenged and underprivileged youth this year.

Thank you for supporting the following students:

Londyn Veal and Kaydra Wells, high school students from Peabody High School, in Alexandria, Louisiana, on an educational/recreational field trip to Northern Virginia, Washington D.C., and New York City, 23-31 May 2025. The students attended the hit Broadway musical "Hell's Kitchen", inspired by the life of Alicia Keys during the field trip.

Evan Clark, high school student from Bolton Academy, in Alexandria, Louisiana, on an educational/recreational field trip to Dallas, Texas, 7-14 Jun 2025. Evan participated in an in-residence Kappa Kamp at Paul Quinn College and focused on college readiness sessions and participated in STEM-focused workshops.

Davion Young, high school student from Pineville High School, in Pineville, Louisiana, on an educational/recreational field trip to Northern Virginia and Washington D.C., 17-25 Jul 2025. Davion participated in an in-residence football camp at George Mason University.

We pray that you will continue to be a blessing to these students. As you are aware, Gloria Jane Harvey Foundation is a 501(c)(3) non-profit and your contributions are tax-deductible. You can contribute through the following:
